Great Northern Men at Minneapolis Called Off.

The Order to Quit Timed Too Early for the Court's Mandate.

(By Associated Press.)

ST. PAUL, Minn., April 19.—The order for the Great Northern men to strike at Minneapolis has been issued. It at first read for 7 o'clock in the morning, but was later changed to 1 o'clock this morning.

This means that the entire system will be tied up, unless the restraining order of the courts can get it running at once.

BUTTE, Mont., April 19.—Organizer Hogan states that to-morrow the strike will be inaugurated on the Consolidated line in Washington State, under the auspices of the American Railway Union.

This system was under lease to the Great Northern until it went into the hands of a receiver a short time ago, and it practically controls the entire railroad system of the State.

A special to The Daily Miner, from Glasgow, Mont., announces the shooting by one of the strikers, detailed by the A. R. U., to guard the Company's property of a man attempting to plunder freight cars.

**MORE SHOOTING IN DETROIT.**

Pole Wounded Last Night and Further Trouble Feared.

(By Associated Press.)

DETROIT, Mich., April 19.—Another shooting affair growing out of the strike took place last evening in the rear of the Municipal Court building. A group of Poles had congregated and Deputy-Sheriff Borneman recognized one of them as a rioter. When he started to arrest him some one in the crowd fired a revolver, hitting the Pole in the leg. At the hospital he gave the name of Tony Fabowski. Borneman could not learn who fired the shot.

It is doubtful whether the Board of Water Commissioners will attempt to proceed with their work in Grosve Point township to-day. Discussion of yesterday's bloody fray among the workmen of the city has developed the fact that a large element among them would be too glad to start on the work for the purpose of avenging the attack on Sheriff Collins in case of another conflict.

Leading Poles last night predicted more trouble. There is a mystery surrounding the whereabouts of the body of the unknown Poleman. It is thought it must have been carried away by his comrades. If, indeed, he is really dead. The latest report from the hospital indicates that three of the wounded rioters will die. It is claimed that anarchists fomented the trouble.

**WOULDN'T ACCEPT THE MARE**

Pierre Lorillard Is Sued by a Kentucky Horseman.

Pierre Lorillard is defendant in a suit brought in the United States Circuit Court by Jarrett D. Wilson, of Lexington, Ky., to recover the value of the brood mare Ann Pief, which, it is claimed, was bought by the defendant on Nov. 5, 1892.

Attorney C. H. Stoll, of Kentucky, who was one of Col. Breckinridge's counsel in the Pollard suit, represents Mr. Wilson. He stated this morning that the mare was sold to Mr. Lorillard for \$5,500, and delivered at Tattersall's at Hunter's Point. Mr. Lorillard refused to accept her on the ground that she was unsound and not fit for breeding purposes.

Subsequently Ann Pief was sent to a stock farm in Kentucky and bred to a Imp. Rossington. This Spring, it is said, she had a fine foal.

**ANOTHER CAR HELD UP.**

San Francisco's Street Railway Belonged Still at Work.

SAN FRANCISCO, April 19.—Two armed men held up car No. 4 of the Oakland Consolidated line on Shattuck avenue early yesterday morning and robbed the conductor, motorman and a dozen passengers of about \$60 and various articles of jewelry. The highway men boarded the car at a retired spot and ordered the motorman to come to a stop.

The passengers were obliged to stand up, and while one desperately covered them with a revolver, the other rifled their pockets. This is the third street-car held up in this city and in that neighborhood within four days.

**Damages by Forest Fires.**

NEWARK, N. J., April 19.—Considerable damage has been done to the woods in Middlesex County by fire during the last few days. The fire started by sparks from the locomotives of the Lehigh Valley Railroad and has run through acres of woodland.
